

MODERATOR BIO:

Ben Costantini is the founder and CEO of Sesamers, the event copilot for startups. With **15+ years organizing international conferences**, including work with **SXSW, LeWeb, VivaTech, and Brilliant Minds**, he's now building infrastructure to help early-stage companies turn events into predictable pipeline growth. **Sesamers** partners with leading exhibition organizers across Europe and has supported hundreds of startup activations. Ben also hosts the **Selected** podcast and organizes the **Sesame Summit in Biarritz**.

BIO SPEAKER:

I'm a French-American entrepreneur and investor who's been part of the startup world for more than 20 years. I've been in the innovation game since my very first job, and I've worn a lot of hats along the way—tech, finance, marketing, business development—you name it.

I'm currently working for The Good Ones, a Private Equity company aiming to invest in the European Retail Tech Champions.
